The complex block contains a floor plan diagram at the top and a photograph of two large digital screens at the bottom. The floor plan shows the layout of the station entrance, including the ticket gates (改札口), ticket machines (券売機), ticket counter (精算機), station office (駅事務室), and station shop (駅弁屋). It also indicates the location of three sets of escalators (エスカレーター) and a ramp (スロープ) for lines 2-3-4, 5-6, and 7-8. The photograph shows two large digital screens displaying the text "JEKI MEDIA". Below the photograph are the labels "左" (left) and "右" (right).
